Midvale Elementary School is a unique K-2 neighborhood school that boasts a diverse staff and student body. We share a community with Lincoln school (grades 3-5). At both schools students receive instruction in both English and Spanish Dual Language Immersion settings. Midvale/Lincoln both have an incredibly supportive parent community, and work closely with the University of Wisconsin to deliver top-notch high quality instruction. With a laser like focus on math & reading skills, Midvale staff work hard to incorporate learning strategies that engage all students, while differentiating instruction to meet all student needs. We continue to engage our community partners and families to make the connection between home and school as strong as it can be.

School Principal: Rebecca Galvan
